

Speech Therapy TELEHEALTH

Achieve a Balanced Life

"Alice loves seeing her speech therapist on telehealth. She runs to the computer. She could do it every day."

– **Mariana, Alice's (7 years old) mother**

"I am excited about how well remote video therapy is working. Zack continues to make progress."

– **Caroline, Zack's (15 years old) mother**

"I think it [telehealth] is wonderful!! It makes my life easier. The speech therapist works on the same goals on telehealth as they did at the office. It is all the same, we just are not physically at the office."

– **Allyson, Lilly's (10 year old) and AJ's (7 year old) mother**

ACHIEVE
HEARING & REHABILITATION

How does telehealth work?

Achieve Hearing & Rehabilitation Telehealth services enable the speech therapists to target 100% of the same goals.
